

## DMEA Net Metering Application

*Member Information:*

1. Name, Last \_\_\_\_\_ First \_\_\_\_\_, MI \_\_\_\_\_
2. Interconnect Address \_\_\_\_\_
3. City \_\_\_\_\_ Phone No. \_\_\_\_\_
4. e-mail \_\_\_\_\_ System Install Date \_\_\_\_\_
5. DMEA Account No. \_\_\_\_\_ System Size (kilowatts) \_\_\_\_\_
6. Type of Renewable Generation (PV, Hydro, etc) \_\_\_\_\_
7. Final Electrical Inspection Passed? \_\_\_\_\_ **Note: DMEA will not install a net meter if the electrical inspector's "pass" sticker is not present on the meter base.**
8. \_\_\_\_\_ Initial here acknowledging you've read the DMEA Net Metering Policy and understand the policy may change at the discretion of the DMEA Board of Directors. Changes that may occur are not limited to but include the rate at which DMEA may "cash out" annual excess generation.

By signing this application, member agrees to abide by provisions of the DMEA net-metering policy. Applicant recognizes that the Board of Directors of Delta-Montrose Electric Association might modify said policy from time to time. The applicant further acknowledges that he/she is responsible for his/her own system and its compliance with any applicable electrical codes and safety practices. The applicant also recognizes and agrees that he/she is responsible to see that his/her system is adequately protected from any unusual operating condition on the DMEA electrical system that may create a problem for the applicant's interconnected system.
